

Effective September 6, 2024

The City of Sylvester will no longer be issuing food service permits for temporary non-profit events (events sponsored by the city or other applicable organizations). Please contact the Worth County Health Department at 229-777-2168 for permitting and inspection information.

For profit event organizers are required to contact the Worth County Health Department for all related permits and inspections.

For more information or questions, contact the Community Development Department at 229-776-8505.
