

NOTICE OF REQUEST FOR STATEMENT OF QUALIFICATIONS

AIRPORT CONSULTING ENGINEERING SERVICES

The City of Sylvester of Sylvester, Georgia is seeking a qualified aviation consulting firm to provide professional planning, engineering, architectural, and construction administration services in connection with the Airport Capital Improvement Plan at the Sylvester Airport in Sylvester, Georgia.

It is the intent of the City of Sylvester to enter into a multi-year Master Agreement with a consultant for the upcoming five (5) year period. The selected consultant will negotiate and enter into individual sub-agreements for services, based on the scope of work, with the City of Sylvester on an assignment-by-assignment basis during the term of the Master Agreement. The selection of the consultant is being done in accordance with FAA Advisory Circular 150/5100-14D and applicable Georgia statutes and laws. Responding firms must possess a current pre-qualification by the Georgia Department of Transportation in Area Classes No. 1.08 Airport Master Planning and No. 2.09 Aviation.

The consultant and any sub-consultants proposed shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. Disadvantaged Business Enterprise (DBE) utilization is strongly encouraged. Proposed DBE firms are to be certified by the Georgia Uniform Certification Program. The consultant shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of all Federally-assisted contracts. Failure by the consultant to carry out these requirements is a material breach of the contract, which may result in the termination of the contract or such other remedy as the Airport Authority deems appropriate.

The (City of Sylvester) reserves the right to reject any and all submittals in response to this Request for any reason. The (City of Sylvester) is not liable for any costs incurred by the Consultant in the preparation or presentation of a response to this request.

Scope of Services

The scope of work to be included in the multi-year contract may include, but is not limited to, the following:

- a. Prepare Project Funding Applications and Capital Improvements Program (CIP) Documents.
- b. Perform Design, Bidding and Negotiation, Construction Administration, and Resident Inspection Services.
- c. Assist with DBE Program Overall Goal Updates / Program Administration.
- d. Prepare/Update Exhibit "A" Property Line Map, Airport Layout Plan, and Environmental Assessments as necessary.
- e. Construct/Rehabilitate Airfield Drainage Systems.
- f. Construct/Rehabilitate Airfield Pavement, Lighting, and NAVAIDs/ILS Improvements.
